2016 Winter Intersession

Aloha Families—

Thank you for registering for our Fall program. As we prepare, we require a parent or guardian’s signature for each off site and special activity. The dates and times may change as the program gets closer; however, you will receive up-to-date information on the first day of the week for your specific Fall program.

Please review all sheets/sides and sign next to each off-site and special activity listed below.

If the YMCA does not receive this waiver back by the date of the OFF SITE activity there will be NO alternative childcare—your child must stay home.

Please keep in mind that the schedule is subject to change without notice due to weather and unforeseeable circumstances. Group will remain at the Kaimuki YMCA Branch throughout the day unless otherwise stated below.
